Act. Chief Chemist

NB: *This certificate has been amended in order to correct the Manganese assay and therefore supersedes the one issued earlier.*

*All work is carried out under our standard terms and conditions of business, which are available on request.
Coarse reject samples not collected by the client after three months will be disposed of.
An electronic copy must be authenticated by the original certificate.
This certificate shall not be reproduced, except in full, without written approval of ASICZ.*
